Mission

The Parent's Day Out program's goal is to provide a fun learning experience with age appropriate activities such as art, music, and creative play that will enable children to be secure and happy while away from home. We want the opportunity to connect with these children on days other than Sunday at church and to build relationships with families in our community. Our goal is to instill God's Word with an educational teaching, giving these children a head start in education.

Snack Helpers

Students are on a snack rotation. When it is your child's turn to bring snacks, please bring enough snacks for the entire class. Your turn will be listed on your child's calendar and you will be provided with a reminder that will let you know the number of students and any foods to avoid.

Special Events and Chapel

Each month, you will receive a calendar. This will detail the events for the month. Each month, we will have a dress-up day and celebrate special holidays. Each week, students engage in chapel. Students come to our worship area and they get to sing and dance to fun worship music! Our weekly Bible lesson is also emphasized. Chapel is a time for the Bible lesson to be learned in an exciting way!
